

Building Blocks Day Nursery operates an Out of School Club based in a specially adapted facility on the site of Little Leigh Primary School.

The Out of School Club is split into 3 separate settings, the opening times and prices of which are detailed below.

The Before and After School Club has been open since 2012 alongside the Holiday Club. The Before and After School Club is solely for use to the children who already attend Little Leigh Primary School, however the Holiday Club is open to all children of primary school age in the local area.

The term time settings are open in-line with the Little Leigh Primary School term times which are on the school website, this includes us being closed on inset days too.

Little Leigh Pre-School opened in September 2017. We offer school hours day care for children from 2 – 4 years old. Additionally to the school hours places there are a limited number of 7:30am – 6:00pm places available at the Before and After School Club for children who attend the Pre-School. *(Please enquire for more details.)*

Our website is www.bbdn.co.uk, then just pick your setting for more information.
